## PERSONAL SUMMARY:

A Designer who is not only competitive, but also efficient in performing its duties and responsibilities. Started working in 2015 as an Account Executive for an Italian luxury kitchen brand, to which I gained the knowledge in sales and marketing. I have also improved my understanding on 3D SketchUp and Vray rendering, and enhanced my CAD (computer aided design) skills using AutoCAD. I have sets of skills in 3D rendering using SketchUp and Vray, floor and space planning with the help of AutoCAD, photo editing with the use of Photoshop, furniture design, and also in Sales.

## PERSONAL INFORMATION:

Birth date: 05 August 1992

Nationality: Philippines

Residence country: Philippines

## PREFERRED JOB:

Interior Designer, Furniture Designer, Kitchen Designer, Account Executive

Fields: Interior and Furniture, Sales and Marketing, Research and Development

## WORK EXPERIENCE:

**Total Years of Experience: 4 years and 4 months**

**Interior and Furniture Designer at Clear Export Industries, Inc.** September 2018 – Present  
Cebu, Philippines

As the Interior and Furniture Designer, my duties and responsibilities are but not limited to:

- Research and develop new designer, materials, and finishes for both export and local market.
- Coordinate local projects with the clients from the beginning.
- Attend meetings with clients and prospects and discuss with them their furniture requirements.
- Assist PRD manager on some of the responsibilities in the department.
- Create initial designs through hand sketch and reflect the designs in CAD using AutoCAD after being approved.
- Coordinate with suppliers for our items such as, metal works, stone works and glass works.

First show I designed furniture for: Philippine International Furniture Show 2019

**Account/Sales Executive and Designer  
at Cucina Mobili Inc.**

June 2015 – January 2018

Cebu, Philippines

Cucina Mobili Inc, is the exclusive distributor of Dada Kitchens and Armani/Dada from Italy and reseller of Gaggenau appliances. My duties and responsibilities were but not limited to:

- Produce sales by designing and proposing kitchen designs to clients.
- Create a kitchen layout complete with specifications and codes of kitchen cabinetry in CAD using Auto CAD and 3D rendering using SktechUp with Vray.
- Close sales by providing detailed proposal and highlighting the product's advantages.

A pioneer employee who delivered first sales for the company.

**Junior Designer at M+S Studio**

August 2014 – September 2014

Cebu, Philippines

Second Internship: As a Junior Designer, my duties were but not limited to:

- Reflect Principal Designer's plan using 3D SketchUp.
- Do ocular inspection and make design proposal/layout using AutoCAD.

**AutoCAD Operator at  
ERC & ASSOCIATES**

April 2014 – May 2014

Cebu, Philippines

As a requirement for the fulfillment of Bachelor of Science in Interior Design at the University of San Carlos, a 150 – hour internship is required. My tasks were but not limited to:

- Reflect Engineer's plan in 3D SketchUp.
- Detailing floor plans using AutoCAD.

**EDUCATION:**

**BACHELOR OF SCIENCE IN INTERIOR DESIGN at  
University of San Carlos  
Cebu City, Philippines  
March 2015**

Received my Bachelor of Science in Interior Design at the University of San Carlos in March of 2015. Here I have gained my knowledge in computer aided design or CAD using AutoCAD and 3D modeling using 3D SketchUp. I have also improved my hand sketching and rendering skills using different mediums such as color pencils, watercolors and etc. Passed my Thesis with the purpose of promoting the conservation of heritage sites in our town, by incorporating adaptive reuse as a form of conservation.
